<b>Short Abstract:</b>	
<p>CMPC, a global company headquartered in Chile, operates in the pulp, wood, packaging, and tissue industries.</p> <p>CMPC Ventures, the company's innovation fund, aims to accelerate technology adoption, new product development, and the exploration of new business opportunities through strategic investments, pilot projects, venture clienting, and R&amp;D.</p> <p>Leveraging CMPC's expertise and network, the fund collaboratively seeks new opportunities in areas such as Sustainable Construction, Smart Forestry, Packaging, New Bioproducts, Textile Fibers, and other innovations connected to its existing businesses or forests. This supports the company's innovation and sustainability strategy. CMPC Ventures currently has seven investments and various R&amp;D partnerships and pilot programs across Europe, Latin America, and the USA.</p> <p>Further details are available at <a href="http://www.cmpcventures.com">www.cmpcventures.com</a></p>
